It is located 7 km south of Hodonín and around the beautiful environment of vineyards, orchards and alluvial forests. The Village boasts a rich history going back up to 2-3. century AD. Previously regarded as a residential center of the Great Moravian Empire, today presented the largest preserved archaeological district in the Czech Republic, and certainly every enthusiastic lover of history. Recently made an application for the registration of common Archeopark Mikulčice-Kopčany the UNESCO World Heritage List only highlights the importance Mikulčice wide. Mikulčice this is not just history. They also center Slovácké folklore. For one of the most important folklore composers Franz Hřebačka - Mikulecký is a local native. Who would not know the song "Mikulecká village" or "Sklenička the glass, which have arisen. Every year, in early July, are here in the beautiful environment of Slavonic settlement famous Cyrilometodějská fairs organized with the participation of thousands of pilgrims from all over the Czech Republic, as there are widely known dulcimer music as well as Slovakia, the birthplace of a number of excellent folk singers, dancers and crimp. Thanks to its excellent geographical location, number of hours of sunshine, close to the Venetian plain, succeeded in Mikulčice and fruit and vines. During the summer there is a visitor may well indulge in fresh peaches, apricots, table wine and other teplomilného fruit. In the center of the village is located sklepov large area of the cottage, "where visitors can watch the daily work of wine-growers, as grapes transformed into wine, you may stop and talk, taste, or buy it were a sample selected directly from the basement. near the village in the beautiful nivea of alluvial forests are nature reserves Skařiny. Visitors here will move in the original system pralesním forests, wetlands and shoulders of the Morava River. It is ideal for observations of settlements of many rare animals, such čápa white, ashy heron, ledňáčka river, the beaver.</p>
